SUBJECT: EXEMPTION FROM REGISTRATION

A prior exemption letter was sent by the Registry of Charitable Trusts, determining that the above organization is not subject to the registration and reporting provisions of the Supervision of Trustees and Fundraisers for Charitable Purposes Act (Government Code section 12580, et seq.), because it is organized and operated primarily as one of the following types of non-profit entities:

1. An entity organized and operated primarily as a religious organization.
2. An educational institution as defined by the Registry of Charitable Trusts.
3. A mutual benefit corporation that does not hold funds or assets in trust for charitable purposes.
4. An entity operated primarily as a hospital or medical research facility associated with a hospital.
5. Other non-profits determined by our office to be exempt based on our examination of the founding documents and funding.

NOTE: If your organization changes classification from a Mutual Benefit or Religious corporation to a Public Benefit, you could be required to register and report annually. Otherwise, please do not respond to this letter, as future filings (including checks), will not be returned but will be shredded by our office.

Although we have determined that the captioned organization is not subject to the filing, registration and reporting provisions of the Act, the organization is still subject to all other provisions. (See Government Code sections 12583 and 12588.) An exemption from filing, registration and reporting to the Attorney General has no bearing on jurisdiction of other government agencies, such as Franchise Tax Board, Internal Revenue Service, or the California Secretary of State. Please review the *Guide for Charities* posted on our website at [oag.ca.gov/charities](http://oag.ca.gov/charities) for additional information.

Sincerely,
